

To be completed only by Local Councils, Internal Drainage Boards and other smaller authorities* where the higher of gross income or gross expenditure was £25,000 or less, that meet the qualifying criteria, and that wish to CERTIFY themselves as EXEMPT from a limited assurance review

Guidance notes on completing Form 2 of the Annual Governance and Accountability Return 2021/22

1. Every smaller authority in England where the higher of gross income or gross expenditure was £25,000 or less must, following the end of each financial year, complete Form 2 of the Annual Governance and Accountability Return in accordance with *Proper Practices*, unless the authority:

- a) does not meet the qualifying criteria for exemption; or
- b) does not wish to certify itself as exempt

2. Smaller authorities where the higher of all gross annual income or gross annual expenditure does not exceed £25,000 and that meet the qualifying criteria as set out in the Certificate of Exemption are able to declare themselves exempt from sending the completed Annual Governance and Accountability Return to the external auditor for a limited assurance review provided the authority completes:

- a) The Certificate of Exemption, page 3 and returns a copy of it to the external auditor either by email or by post (not both) no later than 30 June 2022. Failure to do so will result in reminder letter(s) for which the Authority will be charged £40 +VAT for each letter; and
- b) The Annual Governance and Accountability Return (Form 2) which is made up of:
 - Annual Internal Audit Report (page 4) must be completed by the authority's internal auditor.
 - Section 1 – Annual Governance Statement (page 5) must be completed and approved by the authority.
 - Section 2 – Accounting Statements (page 6) must be completed and approved by the authority.

NOTE: Authorities certifying themselves as exempt SHOULD NOT send the completed Annual Governance and Accountability Return to the external auditor.

3. The authority must approve Section 1 Annual Governance Statement before approving Section 2 Accounting Statements and both must be approved and published on the authority website/webpage before 1 July 2022.

Publication Requirements

Smaller authorities must publish various documents on a publicly available website as required by the Accounts and Audit Regulations 2015, the Local Audit (Smaller Authorities) Regulations 2015 and the Transparency Code for Smaller Authorities. These include:

- Certificate of Exemption, page 3
- Annual Internal Audit Report 2021/22, page 4
- Section 1 – Annual Governance Statement 2021/22, page 5
- Section 2 – Accounting Statements 2021/22, page 6
- Analysis of variances
- Bank reconciliation
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

Limited Assurance Review

Any smaller authority may request a limited assurance review. If so, the authority should not certify itself as exempt or complete the Certificate of Exemption. Instead it should complete Form 3 of the AGAR 2021/22 and return it to the external auditor together with the supporting documentation requested by the external auditor. The cost to the authority for the review will be £200 +VAT.

Provided that the authority certifies itself as exempt, and completes and publishes the documents listed under 'Publication Requirements', there is no requirement for the authority to have a review.

If it decides to certify itself as exempt, the authority must complete and return the Certificate of Exemption on Page 3 to the external auditor to confirm that it has certified itself exempt.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*For a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

It should not submit its Annual Governance and Accountability Return to the external auditor. However, as part of a more proportionate regime, the authority must comply with the requirements of the Transparency Code for Smaller Authorities.

- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. Avoid making amendments to the completed annual return. Any amendments must be approved by the authority and properly initialled.

- Make sure that the accounting statements add up and the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the exercise of public rights of 30 consecutive working days which must include the first ten working days of July.

 - The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act
- If you are able to confirm that the above statements apply and that the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor either by email or by post (not both).

The Annual Internal Audit Report, Annual Governance Statement, Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on the authority website/webpage* before 1 July 2022.
